

• **Name:** Ju Han Kim, M.D., Ph.D., M.S.

• **Current Position:**

- Professor and the Founding Chair of the Division of Biomedical Informatics, Seoul National University College of Medicine, Seoul 110799, Korea
- Director, Systems Biomedical Informatics National Core Research Center (NCRC)
- President, the Korean Society of Medical Informatics

• **Country:** Korea

• **Educational Background:**

- 1982(Mar.)-1984(Feb.) Premedical Course, Seoul National University College of Medicine, Seoul 110-799, Korea
- 1984(Mar.)-1988(Feb.) M.D., Seoul National University College of Medicine, Seoul 110-799, Korea
- 1993(Mar.)-1995(Feb.) M.S., (Psychiatry, Brain Imaging) Graduate Course, Medicine, Seoul National University Graduate School of Medicine 110-799, Seoul, Korea
- 1995(Mar.)-1997(Feb.) Ph.D., (Psychiatry, Brain Imaging) Graduate Course, Medicine, Seoul National University Graduate School of Medicine, Seoul 110-799, Korea
- 1999(Feb.)- 2001(Feb) M.S., Medical Informatics, MIT (Massachusetts Institute of Technology), Cambridge, MA, U.S.A.

• **Professional Experiences:**

- 2000(Mar.)-2001(Apr.) Instructor, Biomedical Informatics, The Children's Hospital, Harvard Medical School, Boston, MA 02115, U.S.A.
- 2001(May)-2002(Aug.) Assistant Professor, Biomedical Informatics, The Children's Hospital, Harvard Medical School, Boston, MA 02115, U.S.A.

- 2001(Sep.)-2005(Aug.) Assistant Professor, Biomedical Informatics, Seoul National University College of Medicine, Seoul 110-799, Korea
- 2005(Sep.)-2009(Aug.) Associate Professor, Biomedical Informatics, Seoul National University College of Medicine, Seoul 110-799, Korea
- 2009(Sep.) - present Professor and Founding Chair, Div. of Biomedical Informatics, Seoul National University College of Medicine, Seoul 110-799, Korea
- 2010(Mar.) - present Professor and Founding Chair, Interdisciplinary Program of Medical Informatics, Seoul National University Graduate School, Seoul 110-799, Korea
- 2010(Sep.) - present Founding Director, Systems Biomedical Informatics National Core Research Center, Seoul National University Graduate School, Seoul 110-799, Korea
- 2002(Jan.) - present Chief of Strategic Planning, Medical Informatics Center, Seoul National University Hospital, Seoul 110-744, Korea
- 2001(Sep.) - 2007 Chief of Functional Genome Informatics, Human Genome Research Institute, Seoul National University, Seoul 110-799, Korea
